**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND  
ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN  
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Board of Directors  
Southern Arizona AIDS Foundation  
Tucson, Arizona

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Southern Arizona AIDS Foundation and its subsidiaries (a not-for-profit organization) (collectively the "Organization"), which comprise the consolidated statement of financial position as of June 30, 2021, and the related consolidated statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated December 2, 2021.

**Internal Control over Financial Reporting**

In planning and performing our audit of the consolidated financial statements, we considered the Organization's internal control over financial reporting ("internal control") as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Organization's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM, REPORT ON INTERNAL CONTROL OVER COMPLIANCE, AND REPORT ON SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS REQUIRED BY THE UNIFORM GUIDANCE**

Board of Directors  
Southern Arizona AIDS Foundation  
Tucson, Arizona

**Report on Compliance for Each Major Federal Program**

We have audited Southern Arizona AIDS Foundation's (a not-for-profit organization) (the "Organization") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended June 30, 2021. The Organization's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

**Management's Responsibility**

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

**Auditors' Responsibility**

Our responsibility is to express an opinion on compliance for each of the Organization's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Organization's compliance.

**Opinion on Each Major Federal Program**

In our opinion, Southern Arizona AIDS Foundation complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2021.

**Report on Internal Control over Compliance**

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal

program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance**

We have audited the consolidated financial statements of Southern Arizona AIDS Foundation and its subsidiaries as of and for the year ended June 30, 2021, and have issued our report thereon dated December 2, 2021, which contained an unmodified opinion on those financial statements. Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards and other governmental awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditure of federal awards is fairly stated in all material respects in relation to the financial statements as a whole.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

**SCHEDULE OF FINDINGS AND QUESTIONED COSTS**

**PART I – SUMMARY OF AUDITORS’ RESULTS**

**Financial Statements**

- 1. Type of auditors’ report issued: Unmodified
- 2. Internal control over financial reporting:
  - a. Material weakness identified? No
  - b. Significant deficiencies identified, which are not considered to be material weaknesses? No
- 3. Noncompliance material to financial statements noted? No

**Federal Awards Section**

- 1. Internal control over major programs:
  - a. Material weakness identified? No
  - b. Significant deficiencies identified, which are not considered to be material weaknesses? No
- 2. Type of auditors’ report issued on compliance for major programs: Unmodified
- 3. Any audit findings disclosed, which are required to be reported in accordance with section 2 CFR 200.516(a)? No

- 4. Identification of major programs:

CFDA/Assistance Listing Number(s)	Name of Federal Program
93.917	HIV Care Formula Grants
93.914	HIV Emergency Relief Project Grants
21.019	COVID-19 Coronavirus Relief Fund

- 5. Dollar threshold used to distinguish between Type A and Type B programs: \$750,000
- 6. Auditee qualified as low-risk auditee? Yes

**PART II – FINANCIAL STATEMENT AUDIT**

This section identifies significant deficiencies, material weaknesses, and instances of fraud, illegal acts, violations of provision of contracts and grant agreements, and abuse related to the financial statements for which *Government Auditing Standards* require reporting in the Uniform Guidance audit.

No findings were noted.

***PART III – FINDINGS AND QUESTIONED COSTS – MAJOR FEDERAL AWARDS PROGRAM***

This section identifies the significant deficiencies, material weaknesses, and material instances of noncompliance including questioned costs, as well as any abuse involving federal awards that are material to a major program.

No findings were noted.

***PART IV – SUMMARY OF PRIOR YEAR AUDIT FINDINGS***

No prior year findings.

## NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AND OTHER GOVERNMENTAL AWARDS

## NOTE A. BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards includes the federal grant activity of the Southern Arizona AIDS Foundation (the "Organization") and is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the audit requirement of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, basic financial statements.

## NOTE B. 10% DE MINIMIS INDIRECT COST RATE

The Organization has not elected to use the 10% de minimis indirect cost rate allowed under the Uniform Guidance. The Organization utilizes an approved negotiated rate to recover indirect costs under the Uniform Guidance.

## NOTE C. SUMMARY OF FEDERAL EXPENDITURES BY CFDA/ASSISTANCE LISTING NUMBER

The following table summarizes the federal expenditures reported in the schedule by CFDA/Assistance Listing number:

CFDA/ Assistance Listing Number:	Description:	Amount Expended:
14.218	Community Development Block Grant	\$ 36,167
14.231	Emergency Solutions Grant	91,927
14.235	Supportive Housing Program	360,836
14.241	Housing Opportunities for Persons with AIDS	1,036,903
14.267	Continuum of Care Program	106,290
14.276	Youth Homelessness Demonstration Program	38,485
16.575	Crime Victim Assistance	108,238
16.588	Violence Against Women Formula Grants	31,823
16.736	Transitional Housing Assistance for Victims of Domestic Violence, Stalking, or Sexual Assault	68,363
16.888	Address Children and Youth Experiencing Domestic and Sexual Assault and Engage Men and Boys as Allies	6,909
21.019	COVID-19 Coronavirus Relief Fund	250,000
93.136	Injury Prevention and Control Research and State and Community Based Programs	11,847
93.243	Substance Abuse and Mental Health Services - Projects of Regional and National Significance	377,268
